Scholarships and Discounts

Scholarship decisions are made by The ISA Committee upon the student's admission to The Indian School of Acting and based on a combination of financial need, application and artistic merit. The members of the committee include administrators for the departments of enrollment management and artistic aid as well as senior administrators and artistic directors from appropriate areas of the school. While we are unable to meet the full need of all who apply, We make every effort to assist as many students as possible to attend the school. Concessions and discounts upto 60% are given to the best applications that we get throughout the year.
